* ALL students must pass the Reading/Writing and Math components of the High School Exit Exam to earn a diploma. 11th and 12th grade students who haven't passed this exam as 10th graders have two opportunities as 11th graders and up to five more opportunities as 12th graders to take the exams. Note: If 11th and 12th grade students are absent during scheduled administrations above, they may take the test/s during the May administration.

Test will cover math (Gr. 6 - Algebra I standards) and language arts (Gr. 8-10 standards) and includes one direct writing sample.

** District grade 9 writing assessment will be aligned with High School Exit Exam and Gr. 9-10 state standards.

*** Grade levels tested in 2008-09 may change.
